Subject: Missouri ~ Bulletin in Response to Significant Floods

Please share this announcement with your staff

On March 19, 2019, the Missouri Department of Insurance issued Bulletin 19-04 in response to a significant flood event that is impacting communities along the rivers in the state. Some areas are already flooded while others that are located downstream anticipate flooding in the near future.

The state is asking that insurers assist those in impacted areas by extending grace periods for payment of premium to allow insureds to keep their policies in force. If an affected insured does not make a required premium payment, please contact your underwriter for guidance before processing a notice of cancellation for nonpayment of premium.

This applies to both admitted and non-admitted business.

Person to Contact

If you have any questions, please contact your Underwriter.
