Subject: Binding Authority Suspension ~ Hurricane Beryl – Texas

Please share this announcement with your staff

The National Hurricane Center of the National Weather Service has issued hurricane and tropical storm warnings for Hurricane Beryl. The current projected path of Hurricane Beryl is expected to affect the state of Texas as a major storm.

This event affects the following counties:

Texas:

Aransas, Brazoria, Calhoun, Cameron, Chambers, Galveston, Harris, Jackson, Jefferson, Kenedy, Kleberg, Matagorda, Nueces, Refugio, San Patricio, Victoria, Willacy.

Please Note: Your property (including business income, extra expense, auto physical damage, and any other ancillary property coverage), inland marine, builders risk, and motorcycle binding authority is automatically suspended for new business and endorsement activity increasing coverage anytime a tropical storm or hurricane watch or warning is declared. This applies to all areas within 100 miles of the affected coastline. Transactions that have already been bound may be issued, but no new or expanded coverage(s) may be bound until further notice.

We will continue to monitor the storm and will notify you of any modifications to this policy and endorsement binding suspension as warranted by development of the storm. The National Weather Service – National Hurricane Center website provides the most recent information regarding the storm's activity.

EXPIRATION OF MORATORIUM

This moratorium will remain in effect until the storm watch and/or warning is lifted.

Person to Contact

If you have any questions, please contact your underwriter.
